

## CALI Conference Opportunities Now Available

This 21<sup>st</sup> annual CALI Conference is in Milwaukee at **Marquette Law School’s brand new building, June 23-25, 2011.**

You’ll find a list of sponsorship opportunities on the next page. To reserve one, just send me an email at [agroothuis@cali.org](mailto:agroothuis@cali.org). As always, we’re limited in space because we do everything in a law school. So get back to us quickly.

### About Conference Sponsors

In last year’s attendee survey, attendees were happier with you, our sponsors, than anything except us CALI staffers (we are pretty charming) and the conference, overall. Put into perspective, attendees liked you better than the flying, screaming, slingshot monkey giveaways. Surprised? We’re really not.

We can understand the love our sponsors get. Attendees know that this fun, unique conference doesn’t exist without you. And they get to interact with you in a more personal setting - you aren’t off in a big showroom. Plus, the effort and thought we put into making sponsors a part of the conference seems to work. Locating you near food, building the conference raffle around you, and giving you the opportunity to hold a session encourages interaction with attendees.

Anyway, we’ll send more conference updates soon. The theme and the conference website should be available any day. In the meantime, reserve your spot as soon as you can.

If you have any questions, please contact me: **312-906-5303** or [agroothuis@cali.org](mailto:agroothuis@cali.org).

See you in Milwaukee,

Austin

### Important notes:

- No refunds.
- Every paid sponsorship opportunity comes with a single free registration, (i.e., 1 session + 2 tables = 3 free registrations). Each additional registration is \$395.
- As many of you know, we offer table space, not booth space, with placement in the hosting law school and close proximity to conference activities. Space is limited so please sign up for two or more tables and tell us if you have a display that takes up more space than the length of a single standard table.
- To register or for more information, contact Austin: [agroothuis@cali.org](mailto:agroothuis@cali.org) or 312-906-5303.
